About Library

JIMS library has been playing a fundamental role in enhancing the learning experience of its stakeholders mainly faculty, staff and students by facilitating them with all the materials and services they need to improve their knowledge. The primary aim of any library is to develop the worthiest habit of reading among the students as well as supporting their curriculum needs. The provision of services designed to meet the user information and learning needs are mainly the book bank service, lending service, digital library service, multimedia and periodical service. The role of library in research is pivotal. The library offers space for students to learn and provides excellent environment for research. Through the use of computers and e-resources students can search their sources, write their assignments and check the plagiarism percentage of their written work with much ease. Library follows the open access system, encouraging the user to browse resources freely in the reading centre.

Vision:

“To provide comprehensive resources and information services to the users to enrich their knowledge horizons”

Mission:

- Acquisition and organization of relevant information resources.
- Consolidate and disseminate information to the users.
- Advocate strong library ethics.
- Applying innovative tools and techniques for its continuous management and improvisation.

Library Profile:
