PGDM & PGDM (IB)

Post Graduate Diploma in Management
Post Graduate Diploma in Management (International Business)

ABOUT THE INSTITUTE

Jagannath International Management School (JIMS) Kalkaji, New Delhi, functions under the aegis of the Jagannath Gupta Memorial Educational Society, a non-profit registered organization, which has been imparting high quality professional education since 1993. Our campus at Kalkaji, has over time developed into a reputed center of excellence for conduct of research and consultancy services for the private and public sector organizations. Our sustained focus on improving the quality of our academic deliverables has resulted in accreditations of our institute with the prestigious National Board of Accreditation (NBA) and National Assessment and Accreditation Council (NAAC). Our quality services have been ISO: 9000:2015 certified.

The PGDM & PGDM (IB) program is recognized by Association of Indian Universities (AIU) as equivalent to MBA degree of Indian University.

OUR VISION

We visualise JIMS as an institute of higher academic learning known for its total commitment to excellence in management and professional education, research and consultancy with a holistic concern for quality of life, environment, society & ethics.

OUR MISSION

To serve society and improve the quality of life by imparting high quality education in management and professional courses, providing training and development services, fostering research, giving consultancy services to industry and disseminating information through publication of books, journals and magazines.

Core Values

- Integrity and Ethics
- Transparency and Accountability
- Innovative Learning and Development
- Entrepreneurship and Diversity
- Social Responsibility and Environment

FROM THE CHAIRMAN

JIMS was founded in 1997 with a clear vision and purpose. It was envisioned that in the foreseeable future it would evolve into a world class business school recognized for its commitment to high powered quality education and research. JIMS is also committed to developing outstanding professionals and entrepreneurs who exemplify humanistic values, are socially responsible stewards and create and disseminate practitioner-oriented knowledge that will uplift society

The current global economic slowdown is driving India Inc. to rethink strategy, reassess agendas and revisit several of the long-standing rules of the game. Leadership is being stretched for direction and results; management is being tested for fortitude and having a balanced head-on-shoulders approach to keep the momentum going. As the business world gets more complex B-School recruits will need to be equipped with new skills-sets, innovative ideas and a heightened mental toughness to sail through the current corporate turbulence.

In order to keep pace with the velocity of change and thrive in an uncertain environment JIMS has already shifted gears to a mode of mastering change. It has launched several strategic initiatives both at the macro and micro levels to ensure that student's overall development is in tune with the present demands and expectations of industry. At JIMS, our strategic focus in future will address areas of curriculum design, mentoring and live projects, advanced statistical software training, international summer internships, soft skills, stress coping and EI learning. These initiatives will focus on developing student competencies in dealing with global complexity, emerging technologies and change, social and cultural diversity.

I am confident that our "high value adding" initiatives will help create tomorrow's skilled leaders as value is all about upskilling individuals and contributing to business results.

Dr. Amit Gupta

FROM THE DIRECTOR GENERAL

The creation of an educational institution is often an act of faith and in the expression of that faith lies a tremendous philosophy that guides the actions of those who fashion and manage such institutions. The purpose behind inception of JIMS, was to create a high priority national asset fully equipped to develop our young human resources to meet the needs of our wealth-creating business organizations.

At JIMS we truly believe that learning is a life-long adventure that begins with discovery. We are fully cognizant of our responsibility to transform what we know into useful practice. We strive to integrate and share what we know with our students, academic peers, and others. Our passion for learning is sustained by intellectual curiosity and scholarship, and we endeavor to instill this same passion in our students by actively engaging them in their own learning by setting high expectations for academic achievement and by mentoring.

We place special emphasis on the holistic development of our students. Our one year personality development module is designed to provide rigorous exposure to our budding managers in the areas of inter-personal communication, business etiquette, time and stress management and leadership skills

Dr. (Cdr) Satish Seth

FROM THE DIRECTOR

Dear Students,

Welcome to JIMS for a unique and exciting period of learning!

JIMS is recognized nationally for its innovative and holistic approaches to higher education in the 21st century. The mission of JIMS is to prepare students to become critical thinkers, effective communicators and responsible global leaders by providing an academically - challenging, values based curriculum. We strive for excellence in pedagogy through innovative and collaborative teaching-learning practices. These pedagogies comprise a blend of lectures, case-study, projects, and simulations apart from workshops, seminars and conferences.

The Institute provides a truly high tech learning environment with smart classrooms, automated library and modern computer labs. The opportunities for the development of students are immense as apart from professional excellence, we focus on honing their overall personality through soft skills training.

Once again best wishes to all of you for a rich, happy and eventful two years of learning at JIMS!

Dr. J. K. Batra

LIFE AT JIMS

The institute organizes a variety of cultural events throughout the year. These events include the Zest and Dandiya, Kshitij, Freshers' Party, Pop Star Nite etc. Celebrities from the world of music and film stars are invited to participate in the events which are marked by great fanfare, glitter, pomp and show. JIMS and Rotary Nirvana organized a mega event featuring Indi-pop icon, Badshah on November 25, 2016 at Thyagraj Stadium, New Delhi. He regaled the audience with a series of his chartbusters and foot-tapping songs from various movies.
